- Department Chartered Units by District (green sheets)
- Past years winners / trophy
- Poster / Flyer 1<sup>st</sup> Draft 50 @ the 50<sup>th</sup>

**Thank you to all for being here - Deputize** each of you as 50th AL Camporee Ambassadors – this event reflects on the past, leverages the present to be more meaningful in the future for our youth, community, and country. Our youth needs Scouting now, more than ever – it's the best damn youth leadership development program out there !!!

**Review positions that Allan currently holds** - need replacing (many hands light work)

**Official Chartered Units vs Sponsored** – determine which units are “sponsored” not on this official list – ideas to increase participation within the AL Districts – get involved with BSA Council/Districts - \*\*\* attend Round Table Meetings to promote this event – TAL Family units to reach out in their communities too

**Mr Coady reviewed last years** – and updated this year's Camporee packages / files

- No major changes in the process – looking for units to help with assignments – especially if there will be additional units at the 50<sup>th</sup> (strong possibility)
- More units: more planning & coordination of events, economies of scale (fixed costs), porta-potties, plenty of camping spots available to accommodate any increase

## Initial Discussions on this year's Camporee

- Reunion – units, ESotY, Counselors, etc. – a separate event ahead of the Camporee, combine with camp conservation project, luncheon – promoting the Big Event
- Flag retirement ceremony – cotton flags only
- Tug-O-War adults v Scouts (only for the brave hearts)
- Promotional opportunities: social media, web site (SAL page), email, snail mail, DVD/ thumb drive/ URL
- Poster / Flyer – off to a great start – action pics, past generations too
- Possibly moving some awards / ribbons to Saturday afternoon with intention to keep Sunday shorter
- Self-guided Patrol activities, Tomahawk Throwing area.....
- What POS ??? hats, pins, stickers (hot), “segments” surrounding patch for trading, 50<sup>th</sup> logo
- Cupcakes and fireworks – what !??

**Index cards:** list your name / email / unit – best thing about Camporee / best thing about Scouting ? Just a few words to reflect on – create talking points for video promotion, planting seeds..... attendance taking.
