

Catamount Camporee Overview

1. Event description:

The Catamount Camporee is the first council-wide camporee being hosted by Catamount Lodge at Treasure Valley Scout Reservation. This camporee is open to all units. Units stay in campsites, cook their own meals, and participate in activities like shooting sports, field sports, and more to try to win the Catamount Cup. We will also have the option of unit elections, as well as potentially hold a Call-out Ceremony. During the evenings of the camporee, our Shows committee hosts fun and interactive shows, much like summer camp. Our Branding & Publications committee is working on promotional pieces for social media as well as merchandise to be sold at the event. Finally, we will have vendors and sponsors for the event. These could include the National Guard, L.L. Bean, council camps, and more.
