Come take on the challenges and test your skills that the Rangers throughout history have learned and honed over the years. Do you have what it takes to complete “The Rangers Way”?

In honor of the history, contribution, and sacrifices of Rangers past and present we look to honor them through our camporee by competing in competitions that honor the spirit of the skills that Rangers past and present had to learn and be proficient at to be the elite group that they have been throughout history. Activities include: Archery, Semaphore, Canoe Race, First-Aid, Crosscut Race, Pioneering, Fire Building Race, Shotgun, Rifle, Tomahawks, Ranger Challenge, Orienteering/Land Navigation, Fly Fishing Demonstration, MA National Guard Climbing Tower, Black powder/Trapper Demonstration, HAM Radio Demonstration.

For more information about the activities listed above and to register your unit, please go to the Leader’s Guide at the link below.

\*This event is for Scouts BSA, Sea Scouts and Venture youth only! Cub Scouts, Webelos and Arrow of Lights WILL NOT be able to participate.
